Rice was elected to fill the vacancy. W. E. Haley, chairman of the committee, being a candidate for county assessor at the coming primaries, feeling that his connection with the party organization might be unfair to his opponents for the nomination, then offered his resignation as chairman which was accepted, and a vote of thanks extended him for his work in behalf of the party and for his fairness. The executive committee then elected Judge J. C. Quigley chairman of the county central committee to fill the vacancy created by Mr. Haley's resignation.

The Only "Dolly" Type Machine Made

That has absolutely no operating mechanism attached to the sides or top of the machine.

Equipped with specially designed reversible wringer, which is operated by the same motor that operates the machine, and enables the washing and wringing to be done at the same time.

The motor, together with all operating mechanism, is mounted on a metal frame underneath the body of the machine, out of the way of the operator. This metal frame is rigidly attached to the legs and insures perfect alignment of the gearing and reduces the amount of power required to operate the machine to a minimum.

Only one Lever to Operate

The machine and reversible wringer under positive control of the operator. The wringer may be operated at the same time or remain stationary while the machine is washing the clothes. The only Dolly type machine fitted with special 1-inch drain faucet at the bottom for drawing off the waste or making permanent connection with the waste drain if desired.

15 days' free trial to convince you of the merits of this machine.

ALL THESE MEN HAVE WORKED FOR THE SAFETY OF YOUR MONEY WHEN IT IS IN A NATIONAL BANK

Copyright 1909, by C. E. Zimmerman Co., No. 39 N

IN order to furnish proper banking protection, President Lincoln and his first congress established the National Bank which operates under government supervision.

From time to time additional laws have been passed under the different presidents shown above strengthening the protection a National Bank affords.

Thus the confidence and security that comes with the possession of money in the bank is greatly enhanced when it is in a National Bank, for here it has every safe-guard possible for human ingenuity to devise.

In selecting a bank in which to deposit your savings or surplus funds the one thing to be considered is safety and we ask for your business only on the basis of absolute safety. Call at our bank and let us explain to you how safe your money is here.

NO CAUSE TO DOUBT

A Statement of Facts Backed by a Strong Guarantee.

We guarantee immediate and positive relief to all sufferers from constipation. In every case where our remedy fails to do this we will return the money paid us for it. That's a frank statement of facts, and we want you to substantiate them at our risk.

Remedy Orderlies are eaten just like candy, and are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Remedy Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. We cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why we back our faith in them with our promise of money back if they do not give entire satisfaction. Three sizes: 12 tablets 10 cents, 36 tablets 25 cents and 80 tablets 50 cents. Remember, you can obtain Remedy Orderlies in Valentine only at our store—The Rexall Store. G. A. Chapman.
